# Contemporary International Migration and Future Challenges

**Khalid Koser**  
**Academic Dean**

# Agenda

- Contemporary international migration
- Causes of international migration
- Future challenges

# Contemporary international migration

- 1 in 35 people in the world are international migrants
- Every country is affected directly or indirectly
- Women account for 50 percent of international migrants
- Migrants make significant contributions to global economic growth and development
- Migration is an emerging security challenge

# Causes of international migration

- Growing disparities
- Global jobs crisis
- Segmentation of labour markets
- Communication and transportation revolutions
- New rights and entitlements
- Migration networks
- The migration industry

# Future challenges

- Rising numbers
- Global governance
- A crisis of public confidence
- Shrinking space for objective debate
